Connect your bank

Why connect my bank account?
Connecting your bank account allows you to receive your paycheck or wages on payday.

What will my info be used for?
To verify your bank account info, provide and offer you products and Services. This info may include your bank transaction history. Please see our [Privacy Policy](#) for more information.

Is my bank info safe?
We use bank-level security and encryption. We never store your login credentials and never sell your data.

You're now leaving EarnIn. The Privacy Policy and Terms of Service of your financial institution will apply.
